

Video Services

01

About my Business - \$400

Tell your business' story through a simple About video. The video will include one interview with the business's spokesperson, and basic scene-setting shots of the front of the business or other location specifics.

02

One and Done for \$500

Business promo videos can be expensive. This budget-conscious plan offers a quality promotional video for your business with just a few easy steps. By sticking to a pre-established video template, the video can be filmed and edited in just one day.

03

Campaign/Product Promo

Video is a great way to get the word out about your company's new service or product. Schedule a free consultation to discuss your business's video needs for your awesome new campaign.

04

Custom Project

Your business has many different video needs. Don't forget to think outside the box and find unique ways to build your business success through a visual medium. Schedule a free consultation today!
